Emergencies

Priority will be given to emergencies. When emergencies occur, our doctors may be diverted. We apologise for the unavoidable delays, and we appreciate and thank you for your patience and understanding.

Test Results/Scans/X-rays/Reviews/Follow up to Allied and Hospital Specialists

Please do not call the Practice and ask for the results.

Please make an appointment (Telehealth or to see the doctor) a week later.

The Doctors will review all results daily and set recalls as per our recall and reminder process and if any test results are abnormal or require a follow up, the Practice will contact you urgently to make a follow up appointment with the Doctor.

Recall/Reminder Process

Our practice is committed to preventative healthcare. For the continuity of care, our practice has a system in place for recalls. Patients are called in on the same day for urgent or abnormal results. All actions and communication are recorded in the Patient Health Record. You have the option of opting out of this system.

Repeat Prescriptions

Please make a face to face or request for a telehealth appointment to see the Doctor.

Home Visits/Visits to Residential Aged Care Homes

The Practice GPs will offer home visits or visits to residential aged care facilities after hours at their discretion. To obtain a home visit during the clinic hours, it needs to be safe and reasonable for the GP. When the patient is triaged and a home or other visit is deemed neither safe nor reasonable, a telephone consultation will be offered.

Communication Policy on Telephone Calls and Electronic Communications

Our practice gives patients sufficient information about the purpose, importance, benefits, risks and possible costs associated with proposed investigations, referrals or treatments where possible to enable patients to make informed decisions about their health. Our health professionals provide referrals as needed for further management.

You may contact your doctor or any staff member by calling the Practice (Tel: 08 9557 2600), sending an email (admin@samymedicalgroup.com.au) or by fax (08 9518 2826). Messages are responded daily; it will be forwarded via our internal messaging system which will be acknowledged and actioned by the Doctor or staff member. If the message is urgent, staff will interrupt the Doctor immediately. Notes from telephone conversations are recorded in the Patient's Health Record.

Transfer of Medical Records

You will be requested to fill out a 'Patient Request to Transfer of Medical Records' form. All records received will be uploaded into the patient's records.

Medical Certificates

It is important to make an appointment to see or talk to the Doctor via Telehealth on the day of your illness.
